

Safeguarding Policy

Liquorice Park Millennium Green Trust

Purpose

Our charitable activities include working with vulnerable people. The purpose of this policy is to protect them and provide stakeholders and the public with the overarching principles that guide our approach in doing so.

Lead Trustee

A lead trustee will be appointed to provide oversight of safeguarding and to lead on any incident investigation and reporting.

Lead Trustee	Alison Griffiths
--------------	------------------

Applicability

This policy applies to anyone working on our behalf, including our trustees and other volunteers.

Partner organisations will be required to have their own safeguarding procedures that must, as a minimum, meet the standards outlined below, and include any additional legal or regulatory requirements specific to their work. These include, but are not limited to other UK regulators, if applicable.

Safeguarding should be appropriately reflected in other relevant policies and procedures.

Principles

We believe that:

- Nobody who is involved in our work should ever experience abuse, harm, neglect or exploitation.

- We all have a responsibility to promote the welfare of all of our volunteers, to keep them safe and to work in a way that protects them.
- We all have a collective responsibility for creating a culture in which our people not only feel safe, but also able to speak up, if they have any concerns.

Types of Abuse

Abuse can take many forms, such as physical, psychological or emotional, financial, sexual or institutional abuse, including neglect and exploitation. Signs that may indicate the different types of abuse are at Appendix 1.

Reporting Concerns

If a crime is in progress, or an individual in immediate danger, call the police, as you would in any other circumstances.

If you are a volunteer, or member of the public, make your concerns known to a member of our team, who will alert a senior member of the charity.

The trustees are mindful of their reporting obligations to the Charity Commission in respect of Serious Incident Reporting and, if applicable, other regulator. They are aware of the Government guidance on handling safeguarding allegations.

Responsibilities

Trustees. This safeguarding policy will be reviewed and approved by the Trustees annually.

Trustees are aware of and will comply with the Charity Commission guidance on safeguarding and protecting people and also the 10 actions trustee Trustees need to take to ensure good safeguarding governance. These are listed in Appendix 1 to this policy

- And ensuring that any issues are properly investigated and dealt with quickly, fairly and sensitively, and any reporting to the Police/statutory authorities is carried out.

- Ensuring safeguarding risk assessments are carried out and appropriate action taken to minimise these risks, as part of our risk management processes.
- Planning programmes/activities to take into account potential safeguarding risks, to ensure these are adequately mitigated.
- Ensuring that all appointments that require DBS clearance and safeguarding training are identified, including the level of DBS and any training required.

- Making volunteers and others aware of:
 - Our safeguarding procedures and their specific safeguarding responsibilities on induction, with regular updates/reminders, as necessary.
 - The signs of potential abuse and how to report these.

Everyone. To be aware of our procedures, undertake any necessary training, be aware of the risks and signs of potential abuse and, if you have concerns, to report these immediately (see above).

Volunteers

It is our policy that we do not permit volunteers who have been introduced through a third-party organisation (such as the “Network”) unless the organisation has undertaken a full safeguarding assessment and confirmed to us that this assessment is satisfactory.

It is our policy that we do not accept volunteers under the age of 18 unless the lead trustee obtains approval from the board of trustees.

- Monitoring and reporting arrangements.
